

The Kirbyville Wildcat 4-H Club is gearing up for the 2023-2024 season. Wildcat 4-H Club is a dedicated group of young individuals who are passionate about personal development, leadership, and community service. Our club provides a nurturing environment for youth in our community to learn valuable life skills, explore various projects, and engage in activities that promote teamwork, responsibility, and citizenship.

This past year, Wildcat 4-H Members competed in several projects including Food Challenge, Photography, Poultry, and Robotics.

Our Food Challenge Team placed third at District competition in their first year to compete. We had 8 members compete in Photography. They placed at county, district, and state competition.

The Jasper County Robotics Club has had incredible growth since it's first year. Buna and Wildcat 4-H combined their clubs into one county club. They now have almost twenty members in eight teams. They competed at county and district levels. Our two senior teams competed at state competition at Texas 4-H Roundup.

This year, seven of our members completed record books and are working toward earning their Silver and Gold Stars, the highest achievement you can earn in 4-H.

Wildcat 4-H is not just about showing animals. We are dedicated to giving these kids the skills and opportunity to become leaders. We focus on preparing for their future. We stress the importance of making plans for high school and beyond, whether that is college or a career. Over the summer, we held college and career classes to help get the group of kids moving up to high school the best information for them to start making plans. We believe these kids have a bright future and we are excited to see what they can do.

This year, seven of our members completed record books and are working toward earning their Silver and Gold Stars, the highest achievement you can earn in 4-H.

So far, two of the members have earned Silver Stars and one has received a Gold Star. Our current President has gone further in 4-H than any other member in our county. He was selected to be a Texas 4-H STEM Ambassador for our area. He also was selected to be a STEM Ambassador for the 2023 Texas Leadership Experience, a Texas Delegate for the National 4-H Conference, and a Texas Delegate to the National 4-H Congress this fall. He was just elected as President of the Texas 4-H District 5 and will serve on the state 4-H Council.

With Dylan's advancements, are expanding our reach in our community, our district, and our state. He is setting an example to the rest of our club how far you can go in this organization.

Thanks to his influence, we have more members wanting to attend leadership camps and as many competitions as they can. Next year, we will have eight high school students who will compete at

the Texas 4-H Roundup and compete in several activities. That requires registration fees, hotel and accommodations.

We are looking for sponsors to help us with costs for the year and we would greatly appreciate your consideration in becoming a sponsor for our club.

By becoming a sponsor, you will play a crucial role in supporting the growth and development of our members. Your generous contribution will directly impact our ability to provide educational resources, fund participation in local and state events, organize community service projects, and offer scholarships for higher education. In addition, your sponsorship will enhance the visibility of your brand among our club members, their families, and the wider community.

We offer several sponsorship levels, each with unique benefits and recognition opportunities. Whether you choose to become a Platinum, Gold, Silver, or Bronze sponsor, your investment will make a meaningful difference in the lives of our members and help create a stronger community overall.

As a sponsor, your brand will receive prominent visibility through various channels, including:

1. Logo placement on our club's website, social media platforms, and event materials.
2. Acknowledgment in our newsletters, press releases, and annual reports.
3. Recognition during our club's events, competitions, and public presentations.

We believe that by partnering with the Kirbyville Wildcat 4-H Club, you will not only contribute to the success of our young members but also demonstrate your commitment to fostering the growth and prosperity of our community.

Please find attached our detailed sponsorship proposal, which provides additional information about our club, sponsorship levels, and associated benefits. We kindly request you to review it at your convenience and consider the various sponsorship options available.

If you have any questions or would like to discuss the sponsorship further, please do not hesitate to contact me at 409-622-5288. We would be delighted to arrange a meeting or provide any additional information you may require.

Thank you for considering our sponsorship request. Your support will have a lasting impact on the lives of our club members, and we look forward to the possibility of partnering with you to create a brighter future for our community.

Warm regards,

Amanda Gates
